EDUCATION

IBDP (INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME)	2024-2026
IGCSE (INTERNATIONAL GENERAL CERTIFICATE OF SECONDARY EDUCATION)	2022-2024

PROJECTS

JIKAAN FOUNDER	2024-Present
--------------------------	---------------------

- My current startup in the process of testing and development
- Structured platform that facilitates seamless skill exchange without financial constraints, fostering a diverse community of lifelong learners. By leveraging economic principles, the system ensures that skills are fairly valued based on demand and supply dynamics. Additionally, the integration of TimeTokens, which can be converted into real currency, enhances accessibility, making learning and teaching financially sustainable for all users.
- This idea is motivated by the idea - *'learn for the love of learning and teach for the love of teaching'*

BLACK ROSE FOUNDER	2022-Present
------------------------------	---------------------

- A small online business, based primarily on instagram, founded in COVID as a way to earn pocket money
- I sold handmade jewelry and I personally managed the marketing, production, and money control
- After 2 years, it reached INR 50,000+ in sales. Reinvested 90% of profit gained.
- Converted it into a Non-profit in 2024
- Taught 64 students of Chhatrapati Shivaji Vidyalaya to make their own handmade jewelry
 - Also taught them to price their products with simple marketing strategies
 - Raised INR 20,000 for their original investment

EVENTS

SISMUN DEPUTY SECRETARY GENERAL & CHAIRMAN	2025
--	-------------

- In charge of training delegates as well as managing the logistics of the event.
- Event took place on 9th and 10th august

PRIMARY SISMUN HEAD ORGANIZER & CHAIRMAN	2024
--	-------------

- Organized a fun-filled MUN for the primary division of our school of students

- First MUN for primary division with more than 10 participating schools.
- Over the course of 2 months, I trained 5th graders in MUN, debate and speech

CONZERT INTERSCHOOL MUSIC COMPETITION

TECH HEAD

2024

- In-charge of the sound, lights, and logistics of all tech used

INTERNSHIP

- Credence analytics - 4 months (2025)
 - Worked on projects for portfolio and wealth-asset management
 - Created a Stock prediction model based on sentiment analysis from news to predict future indian stock prices
- SDAI Synergy Digital - 2 months (2025)
 - Shadowed the Co-founder
 - Co-developed an AI predictive model on whether an insurance renewal premium payment will be accepted. Researchd & trained the model for criteria tested

RESEARCH

- Extended Essay (IBDP) : *“To what extent do LSTM models outperform regression based models when predicting the closing prices of Indian stocks using historical time series data?”*
 - This research aims to evaluate AI prediction models to analyse how they can be used in the stock market
- Research with Publication - IFJMR
 - Topic: Effect of UPI on Savings Behaviour of Indian Households
 - Used advanced statistical methods like Difference in difference regression

TECHNICAL SKILLS & COURSES

- PACT (Program in Algorithmic and Combinatorial Thinking) by esteemed Prof Rajiv gandhi:
 - PACT 2024: Foundations of Mathematical Computing & Discrete Mathematics
 - PACT Year round (AY 2024-2025): Advanced Data Structures and Algorithms, and Algorithm Design
 - PACT 2025: Randomized Algorithms and Probabilistic Analysis
 - CS50 - Harvard course on Python
- Technical Skills:
 - Python
 - Javascript
 - React JS
 - CSS & HTML
 - Solidity
 - MYSQL
 - Swift

ACHIEVEMENTS

- Honors in coding competition (CEMC) by University of Waterloo (Rank in school: 1/20)
 - it was a challenging coding test with 5 questions to complete within 3 hours
- Distinction in CathCon (hackathon by Cathedral and John School, Mumbai)
- IAYP Bronze
- IAYP Gold
- SUNBEAM MUN - 2022 - 2nd place
- IIMUN 2021 - 3rd place
- IIMUN 2022- 3rd place
- SISMUN 2023- 2nd place
- Sophomore MUN 2022- 2nd place
- SIS intra school English debate 2023 - 1st place

SERVICE

- ROUND-SQUARE 2023 (February)
 - Planned Sports Day event for differently abled children from ages 8-12
 - The students were either blind and/or deaf
 - I was in charge of organizing and volunteering in the sack race event
- ROUND-SQUARE 2024 (September) - 16 hours
